From the Directors

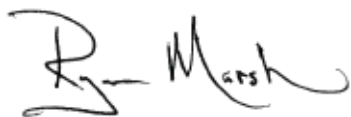

It is our pleasure to welcome you to the Seventy-Fifth season of Lafayette Choir. This special season will be marked by several special observances along with our regular events that will showcase our many talented students. The Lafayette Choir has a long tradition of excellence bringing state, regional and national recognition to Lafayette High School. From the founding choir director, Grace Dean and her Charmettes and Chanteurs, fast forward seventy-five years later to witness a choral program that serves over 210 students and has two full-time choir directors. The Lafayette Choirs have never slowed down. The Lafayette Choirs have always counted the best and brightest that Lafayette has to offer among our members. They never cease to amaze with their spirit, talent, and love for music. We feel confident that this will be evident in the concerts and performances you share with us.

The Lafayette Choral program offers many important opportunities to our students: to demonstrate and develop musical ability, leadership skills, a sense of responsibility, an opportunity to meet and make new friends and an opportunity to discover the unique thrill of performance. From the Opening Gala Concert to our final performance at Commencement, you will see the many facets of our department.

It is important that we thank our sponsors for this year. You will find this program filled with many businesses and individuals who generously support Lafayette choral music. Without them, we could not offer the high quality musical and educational experiences students, parents and the community have come to expect. Please show your appreciation and consider these businesses first for your needs.

We also must thank the Lafayette Chorus Booster Board and choir parents for their unending support of the Lafayette Choral Department. The countless volunteer hours, encouragement, and support for their students are second to none. It is evident that when parents become involved in their child's education, students thrive! The Lafayette Choral Department is an example of this!

There is ethical power in music. Nothing fosters understanding and acceptance better than music. Nothing challenges, and stimulates students emotionally and intellectually better than music. Nothing connects the physical, intellectual, emotional, and artistic sensibilities of students better than music. There is something quite ennobling and dignifying about the discipline required of reaching for artistic excellence. Thank you for joining us at this concert! We hope you will gain as much from hearing our music as we have from learning and performing it.

About the Choral Department

The Lafayette Choral department serves over 210 students in six choirs and consistently receives distinguished ratings at festivals and competitions. The Lafayette Chorale has performed in concert with the University of Louisville Collegiate Chorale, the Lexington Philharmonic, and has sung for internationally recognized conductors, Dr. Eph Ehly (Kansas City Conservatory), Nicol Matt (Germany), Dr. Anton Armstrong (St. Olaf College), Jonathan Reed (Michigan State), Dr. Jefferson Johnson (University of Kentucky), and Dr. Kent Hatteberg (University of Louisville). The choirs have appeared before the Kentucky Music Educators Conference and the American Choral Director's Southern Division Conference. Recent tours have included Chicago, Memphis, New York City, Orlando, Gatlinburg, and Washington D.C. The choirs have sung at well-known venues including the Basilica of the National Shrine and the White House in Washington D.C. and St. Patrick's Cathedral in New York City.

An important focus of the choral department is individual improvement. This is achieved through a private lesson program entitled Mastering Musicianship funded in part by the Chorus Boosters. Over 40% of Lafayette choral students take private voice lessons either at Lafayette or with independent private teachers.

LHS Choral department sends several students each year to the country's finest music schools. These schools have included Cincinnati College-Conservatory of Music, Oberlin Conservatory, University of Kentucky, University of Michigan, Vanderbilt, and the University of Louisville.

The Men's and Women's Choruses are un-auditioned training choirs. These choirs focus on fundamentals of music, vocal technique and music theory. In these choirs, students are prepared for future membership in Lafayette's advanced choirs.

Advanced Women's Choir was founded in Fall 2009 and is an auditioned choir made up of SCAPA voice majors, students of all grade levels. Several young women take this choir as their second or third choral ensemble.

Lafayette Singers serves as the primary mixed ensemble of the choral department at Lafayette. Its tradition exemplifies the quality of the outstanding choral music that has become a part of the history of Lafayette Senior High School. "Singers" is a performance-oriented class geared to expose students to a wide variety of choral literature, ranging from the various historical styles through rehearsal and performance.

The Lafayette Chorale is the advanced vocal ensemble of the choral department at Lafayette. The Chorale was founded in Fall 2004 to create another high quality choral ensemble to meet the needs of Lafayette students.

The Madrigal Singers are primarily juniors and seniors often enrolled in the course as their second choral ensemble. The group performs chamber music, madrigals, and high quality choral repertoire from all time periods and styles. The Lafayette Madrigal Singers compete annually in the University of Louisville Margaret Comstock Chamber Choir Competition and have won first place six times. The Madrigal Singers are state, nationally, and internationally recognized. The group performed for the Kentucky Music Educator's State Conference in 2009, appeared as a featured choir at the Southern Division American Choral Directors Association Conference in March 2010, and was recently awarded two silver medals at the World Choir Games in Cincinnati.

SCAPA Vocal Students: The School of Creative and Performing Arts vocal major is a unique opportunity for students to study solo voice in addition to their ensemble experience. Voice students receive private instruction approximately once every two weeks and participate in monthly performance and master classes as well as recitals, solo performances and contests.

- Louisville Courier-Journal
review of **You Can Go Anywhere**

"Seldom have I read anything so rich and satisfying as Georgia Green Stamper's delightful **Butter in the Morning**. It is a memoir, a history and a sociology text all in the guise of a collection of essays. These are no ordinary essays, however, they are tales from a life made extraordinary in the living and the telling. Indeed, in these difficult times when every day seems to bring news of yet one more failure of the human condition, Georgia shares story after story reflecting the intermingled sorrow and joy that have been the legacy of her people and her place. Through it all her outlook is one of hope, optimism, and humor—a joy from cover to cover."

- Linda Scott DeRosier
author of **Creeker**

"This is very powerful writing...the language, rhythms, diction are so much of each piece, so much reinforce the subject matter - a fine (and rare!) synergy."
